## Architectural Control Committee Guidelines

Refer to Article 8 of the TEW HOA covenants for guidelines -  
The Covenants can be found on the web site  
[www.timberviewestateswest.com](http://www.timberviewestateswest.com) under "documents"

1. Fences- 6 feet wood stained in wood tone-do not need approval of the ACC- they do require a city permit if replacing the poles
  - Fences over 6 feet- require approval of the ACC.
  - All fence sides facing a street should have the poles to the inside of the yard with the smooth side (good side) of the fence facing the street.
2. Sheds - 3 feet from the fence and 5 feet from the house or other structure. (city code)
  - Sheds must be placed so they cannot be seen from the street front or side view if the home is on a corner.
  - Maximum height 8 feet
3. Detached addition e.g. a detached arbor - 5 feet from the fence or house minimum (city code)
4. Patio cover or attached structure
  - Structures cannot extend beyond the sides of the home
5. Boats, trailers, RV - they can be parked at a home no more than 2 nights and 3 days- these are personal use items
  - Commercial trucks and trailers are not allowed overnight unless they are at the home for construction
6. The exterior paint color of the home is to remain a neutral color, e.g. white, black, all shades of brown, forest green ( no bright greens), rust.
7. Roof replacement requires ACC approval even if the shingle color is not changing.

For further clarification please refer to the Promulgated Rules document.

## Code enforcement-

For problems identified prior to 9/1/2010. A courtesy letter is sent first identifying the problem with a notice stating that if a future letter is sent identifying the same problem there is a \$25 fine. Third letters and thereafter will receive a \$50 fine. Failure to correct the problem or present an a resolution approved by the HOA Board after the fourth fine letter (fifth letter counting the warning) will result in the HOA taking legal action to enforce the declaration that includes (but is not limited to) a foreclosure action against the property containing the violation.

Effective 9/1/2010 any new problems (problems that receive a first warning letter) will be handled Per the TEW HOA Fining Policy.

ACC APPLICATION

Property Modification Approval Request Form

As each of us bought our property in Timberview Estates Homeowners Association, we agreed by our signatures to abide by the Declaration of Covenants, Conditions and Restrictions (a.k.a. CCRs or Deed Restrictions). The Deed Restrictions protect our property values by keeping the community a highly desirable place to live. ACC (Architectural Control Committee) approval must be obtained prior to the start of your project. To avoid delay, make your request as complete as possible and type or print legibly. You will also be required to supply a drawing of work to be done. Incomplete requests will be returned for additional information. Incorrect information or changes made after approval invalidates approval. The goal of the ACC is to assure that all changes to our properties conform to the appropriate Deed Restrictions. Thank you for your understanding and cooperation.
