Hi Everyone,

Please welcome Jackie Shaw as our 5th board of directors member.

YAY, The Town Of Flower Mound has finally changed the water restrictions to stage one. You can now water any day you want but not between 10 AM and 6 PM. Hand Watering only during that timeframe.

The board of directors is aware that there is maintenance work required for a few sections the brick wall on College St. Goodwin management has been in touch by email and possibly mail to those homes that back to College St and the brick wall. We need to know which homes have missing mortar on their side so the contractors can give us a bid on the repair job. Preventative work helps to keep the wall strong and not have to replace it. We will keep you posted as to the progress.
